

SERVICES

eBooks

Digital Divide Data delivers high-quality eBooks from digital or hardcopy sources.

Working closely with our clients, we design, plan, and execute a complete eBook conversion process. We ensure that our eBook deliverables not only look great to readers, but also deliver the consistent XML and ePub output that supports digital workflows and future product development for publishers. We combine automation with our expertise to maximize quality and value.

Services Offered

OUTPUT TO ALL MAJOR EBOOK STANDARDS

DDD creates all popular eBook formats—ePub, and eReader and mobile device platforms.

ELEGANT STYLE AND DESIGN

DDD will incorporate your style sheet or, create one for you, to provide readers with an elegant, fluid and enjoyable eBook reading experience.

MULTIPLE INPUT FILE FORMATS

DDD works across digital and print source formats to create consistent and accurate final eBook products – from scanned images, PDF, InDesign® and Quark®.

PROJECT MANAGEMENT

DDD guarantees your investment by ensuring that the quality, scheduling, consistency and priorities unique to your objectives are handled effectively by our dedicated Project Managers.

SCANNING SERVICES

DDD provides economical scanning for non-fragile books, and non-destructive, preservation class scanning for fragile or rare materials.

DIGITAL MARK-UP AND PACKAGING

DDD identifies captures and categorizes complex layout elements (tables, footnotes, illustrations and non-standard characters), standard metadata, and rich features like hyperlinks to ensure that everything is accurately marked-up in well-formed XML.

Digital Divide Data powers the data entry, XML conversion and digital preservation needs of publishers, libraries, content hosts, academic researchers and businesses world-wide. We deliver these services on the foundation of a socially responsible model that creates opportunity for the world's poorest citizens to earn competitive wages, complete their education, and achieve upward mobility through working in our business.

A socially responsible model that benefits your business

DDD's non-profit social enterprise model brings unique benefits to your publishing business. We have won recognition from the United Nations, World Bank, Boeing and the Skoll Foundation for social responsibility, and for the life-changing impact we have on our staff. Your business benefits from this. Our education and staffing model maintains a steady pipeline of trained staff for your projects, with an average employee retention of 3-4 years.
